### Directors Message

Hello!

We were able to attend Klingberg as a group and it was a great show. Nice show field and lots of cars you would not be able to see elsewhere. This show featured many locally built autos such as Corbin, Pope, Trumbull and Locomobile. There were many other early makes as well including a 1908 Buick model 10.

Well we tried another Cruise Night at Mark's. Left work a little early on June 27<sup>th</sup> and made it to Rte 20 just as the rain started. We entered the gate as car # 244 ( Usually they get over 750 cars ) In the next 20 minute there were maybe 24 cars left on the field.

If this is one of the driest seasons we've had in years why does it always rain when we plan something! We did meet up with the dynamic duo of Don & Diane and chatted for a moment.

We had also planned to check out the Harbor Park show in Middletown on July 10<sup>th</sup> but there was too much H2O in the air that day. Oh well maybe we can try the Colchester green again on July 20<sup>th</sup> if it doesn't rain. Note: Rain is a four letter word.

Take Care,  
Jim
